Description: Is a laser engravable polymer with Polyester back for dimensional stability. Product is face ground to tolerance of +/- 0.0005 inches (.013 mm).

Properties:

- Color
  - Red
- Construction Durometer Shore A
  - 50
- Overall gauge (+/- .001”)
  - .045” - .107” (1.14mm - 2.72mm)
- Mylar Backing
  - .005”
- Roll Width
  - 50”
- Roll Length Approximate
  - 10 yds. maximum
